

What is the LuxTrust subscription? What is the price?

Take advantage of electronic authentication and signature services offered by LuxTrust by taking out a subscription. This subscription includes an electronic certificate type of Signing Server and a device (Token, LuxTrust Scan, LuxTrust Mobile).

Duration and price: The subscription is a contract between LuxTrust and you! It is valid for a period of 3 years and then is renewable every 3 years. The cost/tariff depends on the type of device chosen.
